About The Pottery Place

With the holidays just around the corner, the Pottery Place is the perfect place to go to make a gift that truly comes from the heart. It's as easy as picking out a piece of pottery, anywhere from plates and bowls and food trays, to trinket boxes and holiday décor. Now just let your creative juices flow and paint away! Create your pottery in anyway that you choose at a very affordable price for everyone from young ones to the more experienced. Finally, your design will be fired by the kiln and ready for pick up within days. It's a great place to go for family outings, ladies night out, parties, or just a fun activity on a rainy, or snowy, day. This is a great place to bring the kids to make that extra special present for that special mom or dad, grandma or grandpa - any member of the family!
