### Council Campership Policy

Prairielands Council offers a Campership program to provide financial aid to Scouts and families needing assistance to attend Cub Scout Day Camp, Cub Scout Adventure Camp and Boy Scout Summer Camp. Camperships are not available for Family Fun Fest, Parent & Pal, High Adventure Trips (Philmont, Boundary Waters), or other council/district activities.

When applying for a Campership, please understand that a campership is not automatic and is based on several criteria including family need, the Scouts' participation in fund-raising activities, and funds available for distribution. In no case will a campership exceed more than half the cost of camp.

All applications must be complete, signed by the Scout's parent/guardian and Pack/Troop Leader. Camperships are only available to Scouts registered in Prairielands Council *and* attending a Prairielands Council summer camp.

Camperships are granted to specific individuals based on the criteria above. Camperships cannot be transferred to another Scout or used by the Pack or Troop for other camp fees. Camperships not used by the individual are forfeited and returned to the Campership fund for distribution to another Scout.

The timeline for Campership consideration are as follows:

Campership forms completed and submitted to council at address above:	April 16
Campership Committee reviews all requests	May 2
Letter of confirmation mailed to applicants and unit leader	May 14
Campership applied to unit camp fees	June 1

Campership requests received after April 16 will not be considered. Campership requests not submitted on this form will not be considered. Incomplete applications will not be considered. Parents requesting Camperships for more than one Scout must complete form for each Scout.
